

College Code

We are leaders in the development & retention of early stage professionals

OUR WHY

College Code bridges the gap & unleashes potential, from college to career. With GenZ comprising 25% of the global workforce, we are committed to pioneering solutions that build & cultivate a competitive, diverse talent pipeline.

Since 2018, our national team has advised, coached & supported over 5,000 students and early stage professionals around the globe and built a fast-growing community of over 500. Our signature curriculum, *Jumpstart to Career* ©, supports applied knowledge, workplace skills, relationship management, and occupational identity cultivating professionals who are both informed & empowered to navigate the future of work.

We deeply value leadership, learning, community, education & inclusion.
