

## College Code

# WE PROVIDE THE CRITICAL LINK BETWEEN THE DEVELOPMENT & RETENTION OF EARLY STAGE PROFESSIONALS.

### OUR WHY

College Code bridges the gap & unleashes potential, from college to career. With GenZ comprising 25% of the global workforce, we are committed to pioneering solutions that build & cultivate a competitive, diverse talent pipeline.

Since 2018, our national team has advised, coached & supported over 10,000 students and early stage professionals around the globe and built a fast-growing community of early stage professionals. Our signature career curriculum, Jumpstart to Career ©, supports applied knowledge, workplace skills, and relationship management cultivating emerging professionals who are both informed & empowered to navigate career.

We deeply value and center leadership, learning, community, education & equity.
